

Unit 2: Programming Languages—A Walk Through Time

This assignment must be submitted as a PowerPoint presentation.

Assignment:

Use the Internet to research each of the following individuals to determine how each person influenced the development of computing and computer programming:

1. Charles Babbage
2. Augusta Ada Byron
3. John von Neumann
4. Stephen Wozniak and Stephen Jobs
5. Bill Gates
6. Alan Cooper

Make sure your presentation **thoroughly explains** how each person's contribution changed or influenced the development of the computer industry.

Save your assignment as **Unit2_PeopleAndComputing**.
