

YOUR MUSIC LISTENING TIMELINE

Most people in this culture move through several stages of musical taste. Describe your own history of music listening, beginning when you first began to pay attention and listen to music for the sole purpose of pleasure.

As you create your timeline, think about, and discuss the following:

- All styles which you enjoyed (even the ones you are embarrassed to admit)
 - Age/grade each style is associated with
- Whether your sense of style(clothing, hair, makeup, etc.) changed with a music style
 - Whether your outlook on society changed (political views, etc.)
 - Your interest in playing an , or performing on an instrument

Things which, or people who, influenced you to listen to the music styles you did

PRESENTATION

You may choose to present you results in one of the following ways:

- 1) written form (One page typed)
- 2) Timeline with pictures of artists, album covers, etc.
- 3) oral presentation to the class with music samples for our listening pleasure 😊

PURPOSE

The purpose of this assignment is to give you an opportunity to reflect on how music has influenced your ideas, beliefs, activities and choices that you have made throughout your life thus far.

GOOD LUCK AND HAVE FUN!!!
