

Poster Design

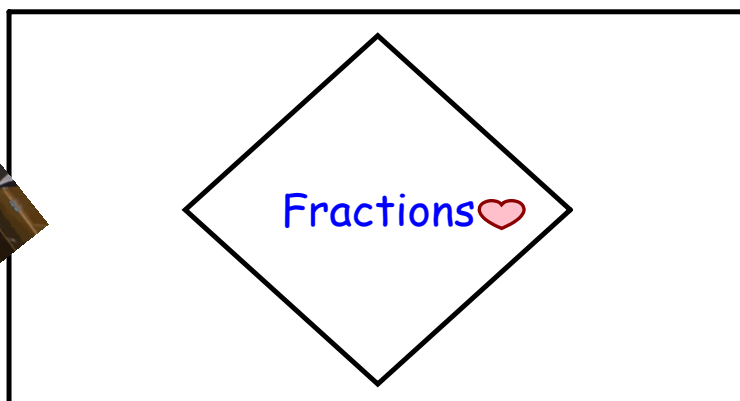

Previous Knowledge

Design a poster (8.5 x 14) that illustrates your knowledge about rational numbers.

It must be neat and creative.

Make it you own and show me where you have seen or used Fractions.

Marker or coloring pencils are available.

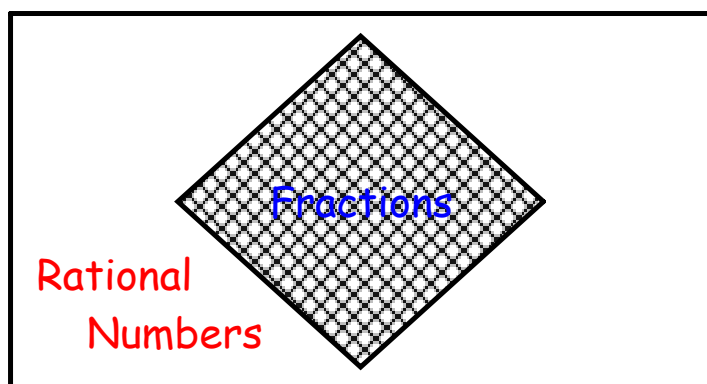

Skim and Scan

Look at Unit 3: Rational Numbers in your textbook (For 5-7 min)
Record some information on the sticky note (provided) that you think is important and that is not already on your poster.

Add the new information to your poster.
