

THE WESSEX SCHOLARSHIP

Application Deadline: April 24, 2019

OVERVIEW

The Wessex Scholarship is presented annually to commemorate the visit by His Royal Highness The Prince Edward, Earl of Wessex to the IWK Health Centre in November 2015. A \$5,000 award, this scholarship recognizes the important role community service has played in supporting the IWK in providing exceptional care. The Wessex Scholarship is awarded to a deserving individual by the IWK Board of Directors.

ELIGIBILITY

Eligible applicants will be graduating from an Atlantic Canadian high school and entering* a post-secondary health care degree level program at an Atlantic Canadian institution (*please see Appendix A for a list of eligible programs*). This scholarship focuses on the impact of community service and as such, applicants should be active participants in their community. A minimum grade average of 80 per cent is required.

**Students who have applied, but have not yet been accepted into an eligible program may still apply for Wessex Scholarship and may be asked to provide proof of acceptance at time of award if chosen.*

APPLICATION REQUIREMENTS

- Essay (1,200 words maximum). Please write an essay introducing yourself and answer the following question. How has your own participation in community service inspired you to pursue studies in a health care field?
- Completed application form (page two of this document)
- Résumé
- Copy of most recent transcript
- Academic reference letter (max. 1 letter)
- Character reference letter (max. 1 letter)

CRITERIA

- | | |
|--------------------------------------|-----|
| • Essay | 40% |
| • Letters of reference | 30% |
| • Demonstration of community service | 20% |
| • Marks | 10% |

Application Deadline: April 24, 2019

APPENDIX A - ELIGIBLE PROGRAM SUBJECTS

Eligible applicants for the Wessex Scholarship will be entering a post-secondary health care degree level program at an Atlantic Canadian institution. This chart lists eligible subjects as a guide but note not all are necessarily available for high school graduates.

Diplomas, certificate programs, or Bachelor of Science degrees without an appropriate health related attribution, are not eligible. If you do not see your program listed here or have a question about eligibility, please contact Penny Skidmore at penny.skidmore@iwk.nshealth.ca or 902.470.5057 for approval.
