

EASTER EGG HUNT

The bunnies at James M. Hill are excited to participate in their annual Easter Egg Hunt. During the Hunt, four bunnies search around the school for one of the hidden Easter Eggs. Once each bunny has found an egg, they hop back to the finish line!

Bunnies: Laken, Jordan, Chris, Liam

Eggs: Blue, Red, Green, Gold

Prizes in Eggs: Mini Eggs, Jelly Beans, M&M's, Peeps

CLUES:

1. The four bunnies were Laken, the bunny that found the Red Egg, the bunny that finished in 4th place, and the bunny that found the M&M's in their egg.
2. Chris did not find the Peeps in his Egg.
3. The bunny that placed 2nd found the Mini Eggs in his/her Egg.
4. Neither Chris nor Liam found the Red Egg.
5. The bunny who placed 1st found the Green Egg.
6. The bunny who found the Red Egg did not finish the Hunt in 3rd Place.
7. Chris did not find the M&M's.
8. The bunny who found the Blue Egg did not find the Jelly Beans in his/her egg.
9. The bunny who finished 1st did not find the Peeps in his/her egg.

Can you figure out what color egg each bunny found, in what order they finished the Hunt, and what prize was inside each of their Easter Eggs?
