

AWARD CRITERIA

MAURICE DAIGLE SCHOLARSHIP FUND 2022

- (1) The award is open to students whose parent, or parents are registered growers or have been registered and are no longer required to be registered with Potatoes New Brunswick
- (2) Applicants will study at a recognized agricultural college or university
- (3) The award shall be announced in November of each year and awarded at the successful completion of the first semester. If the first semester has not been successfully completed by the student, the amount will not be paid out, but will be added into the Fund's principal.
- (4) The award shall be made for the purpose of furthering the recipient's agricultural education at a recognized agricultural university or college.
- (5) A notice will be mailed out in May to all registered growers.
- (6) Applications must be received by the selection committee on or before June 30th, 2022
