

UNB Fredericton Open House 2009

The University of New Brunswick's Fredericton campus is hosting an Open House on Saturday, November 28th from 10 a.m. to 3 p.m.

This exciting event will provide an opportunity for prospective students, current students, parents, alumni and community members of all ages to explore and experience more of UNB Fredericton.

A variety of activities are planned including tours of the campus and faculties. Visitors can watch a play performed by our own theatre students, learn about UNB's research in areas like fitness and nutrition, sit in on mini-lectures on subjects ranging from history to colossal volcanoes, interact with a 3D solar system, watch students in courtroom action and lots more!

You could win \$500

There are exciting door prizes including five \$500 tuition credits.

Visit the open house welcome centre

Start your visit by following the signs on campus to the [Student Union Building](#):

- Pick up a map of campus, an event schedule, and get directions
- Tour student residences or book a personalized tour
- Speak to admission and scholarship reps.
- learn about exchange programs from Australia to Austria
- learn about programs and courses for all ages by speaking to the College of Extended Learning reps.
- Speak with UNB Student Union reps. and other student clubs & societies
- fill out a ballot to win \$500 tuition credit

Visit the faculties

Faculty, staff as well as students will be on hand throughout the open house to share their experiences with you.

They will also be holding special 30 minute presentations and lectures for the open house on a variety of interesting topics. Visit as many as you can to see what amazing research and study options UNB offers.
